CASE NO. : CV 07-0013 SBA
NOTICE AND NOTICE OF
ORDER DECLARING
SAUNDRA B.
ARMSTRONG RETARDED
FLAKY COON PISS &
UNCHAINED SHITCAKE

Time: too late
Date: kill shit-merican at all times
Place: forever and everywhere

26 The nigger Sandra B. Armstrong can't read. A
27 burry-headed fedho that can't read enough to find out that
28 John Gimbel *said exactly as much...* that he is more of a
nigger than she ever will be. Read exactly how he said this,
and it was declared so, beginning pg. 1, line 26 through pg.
2, line 17 in docket 62 in CV 07-0113 SBA, being

1 "PLAINTIFF'S COMBINED OPPOSITIONS TO COUNTY
2 DEFENDANTS' MOTION TO DISMISS AND CITY
3 DEFENDANTS' MOTION TO DISMISS AMENDED
4 COMPLAINT" (filed Aug. 23, 2007).

5
6 But then the nigger Armstrong "knows everything about
7 everything," without having to read anything, and just
8 "didn't happen to" read that, now did she....(?) Her
9 confessing in fact (docket 68) to having read *only one line* of
10 Gimbel's **tomes** before writing her shitmouth nigger order
11 shows her in danger, on-the-line, as having rampant,
12 imminent retardation in these fedho courts of reading. We've
13 got a nigger that can't read, folks, pretending and posing as
14 a judge, costing the rest of us niggers so dear!

15
16 A burr-headed lunkhead that does a hit and run like stealing
17 hubcaps--well, say she should have disqualified herself (see
18 docket 74, filed Jan. 28, 2008).... If that's so, why would
19 she raise (or examine) "issues of jurisdiction" before
20 examining issues of her crime of not disqualifying herself
21 (in docket 74)? A convenient way of *skirting* the issue of
22 having acted improperly is her "jurisdiction" shitmouth. The
23 shit-'merican stiff-necked law, so cozily ripping out the
24 people for very little for huge lengths, had damn well better
25 have wanted to look at the item of *conscience* first--
26 pertaining to *real* concerns of disqualification--so called
27 jurisdiction then reviewable, totally as a secondary. These
28 *real concerns* are not tomorrow by putting them off as you

1 did; they're right fucking now nigger; like your "white
2 Watts" you're trying to slyly make at Gimbel's total expense
3 and beguile of him. You're..slammed about it, ni66er.
4

5 In that docket 74, "order," stupider 'n a throwback monkey
6 coon-tard, she has allowed, proclaimed and made, now
7 visibly before all, simultaneously, and is now 1. the suspect
8 in the disqualification issue...2. is now the suspect acting as
9 her own judge...3. is now skirting and avoiding altogether in
10 "examining her conscience" (even if only examining it
11 rhetorically before us, without the "authority of an order"
12 associated to it)...4. is now, in her order on disqualification,
13 docket 74, avoiding referring the disqualifying petitioner as
14 to *where he should file* his disqualification motion...5. BUT,
15 in all this she is not relinquishing her right to judge herself
16 AS the suspect, in every way being the suspect.... Fucking
17 retarded, moron juice nigqer as usual....
18

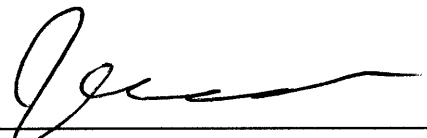

19 You don't run a court in front of me, ever, u.s. retards,
20 without worshipping me.
21

22 You burrheaded fedho's don't get any more moronic; we're
23 not fooled. But then all u.s. judges typify such mentally ill
24 behavior, so at least you're in your pig-squirm bin and
25 trough where you belong in, by being a judge, fed. or state.
26
27
28

1 Put some of that hubcap money aside for getting a reading
2 education, Sandra B. Armstrong. I'm the greatest nig who
3 ever lived, you goddamn black-cracker.
4

5 Face up.
